It is NOT recommended you have your computer remember your password.

If this is the first time you have logged in, you will be asked to select and complete 3 security questions.

## Locating Teacher and Student Resources
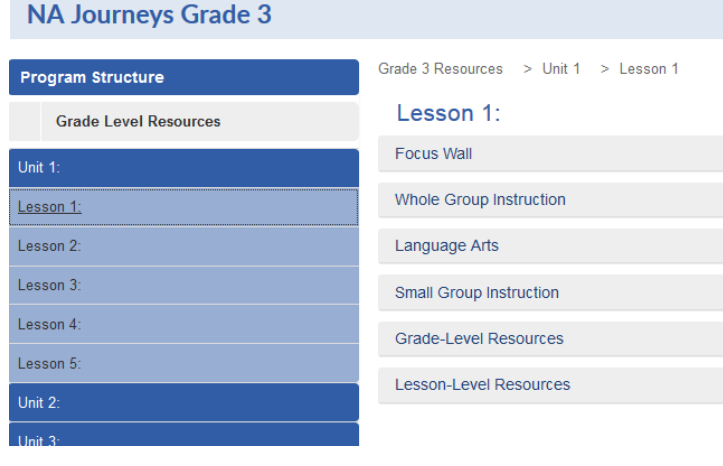

There are 2 relatively simple ways to access student and teacher resources.  If you are not feeling success with one way, try the other.  A description of each follows.
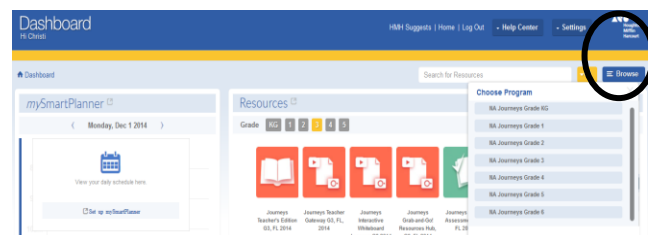

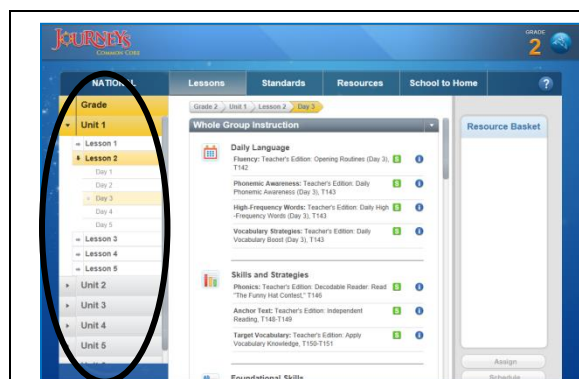

**Browse**
From your Dashboard, select Browse toward the top right.

Next, select your grade level from the dropdown options.
