There are multiple ways to locate digital resources. The three most common are described in this document.

Dashboard Carousel

Most commonly accessed resources are located in the carousel on the Dashboard.

1. select your grade
2. select the Resource (it will open in a separate window)
3. you may need to scroll to find your resource

Student/Teacher Edition

Use the menu items to the left of the screen to maneuver through the digital books:

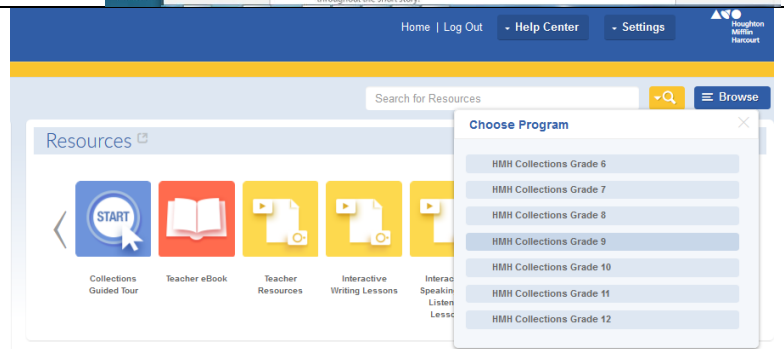

1. Contents will take you to any collection (or type the page number).
2. **Resources** lists items such as Close Reads, Level Up Tutorials, and Interactive Whiteboard Lessons at POINT OF USE (based on the page / lesson you are in) .

Browse

From your Dashboard, select Browse toward the top right.

Next, select your grade level from the dropdown options.

Click “Program Structure”

Select your Collection

Select your Lesson

The blue title of the lesson is a hyperlink to all resources for that lesson. Click it.
